Experience

Moti Engineering PLC
Maintenance Engineer
June 2023 - September 2023 (4 months)
Addis Ababa, Ethiopia

During my three-month internship at Moti Engineering PLC, I acquired the
skills to repair ATM machines. This experience enriched my problem-solving
abilities, honed my attention to detail, and enhanced my teamwork skills. I
was responsible for maintaining and repairing ATM machines, ensuring their
optimal performance and customer satisfaction.

This internship served as a solid foundation for my engineering career. It has
fueled my enthusiasm to continue learning and strive for improvement in my
future endeavors.
